I-10 CLOSURES SET FOR AUGUST 6

WEST LOS ANGELES – The California Department of Transportation (Caltrans) will close up to three lanes of the eastbound Santa Monica Freeway (I-10) from Motor Avenue to Robertson Boulevard on Sunday, August 6 from 1 a.m. to 9 a.m.

Up to three lanes of westbound I-10 will be closed from National Boulevard to Overland Avenue at the same time, as well as the westbound I-10 National Boulevard off-ramp and the Robertson Boulevard on-ramp.

The closures are in connection with a two-year, \$13.8 million project to resurface I-10 from Pacific Coast Highway (Route 1) to the Harbor Freeway (Route 110), estimated to complete spring 2007. The project will enhance mobility by providing a smoother ride and preserving the roadway.

Additional closures will occur as work progresses.
